ABOUT US

KOVAI WONDER WOMAN TRUST is a non-profit organization established in the year 2018. **KWW** provides opportunities and brings out the talent and voices of all women. We recognise and honour the women with a prestigious award for their successful journey in various fields in the name of **KWW iCon** and **KWW of the Year**.

"**KWWiCon**" award honours the women who have excelled in their field and inspired others by their innovative ideas & successful journey.

"**KWW of the Year**" award motivates and recognise the women who are the inspirational stars of tomorrow. Till now we honoured more than 85 Wonder Women in KONGU region consists of Coimbatore, Dindigul, Erode, Karur, Dharmapuri, Krishnagiri, Namakkal, Salem, Tiruppur & The Nilgiris districts.

There is something special about women which is unsung for decades. She is a potential generation. A right women makes a right family and ultimately a right society. So everything starts from her. It is she who is making it. While a still remain downtrodden while some are touching sky. In order to bring up the downtrodden, the ones who are touching sky should be brought into light and celebrated. KOVAI WONDER WOMAN made it by hosting award ceremonies since the year it took birth which is 2018. The first edition of KWW award ceremony took place in the year 2018 to celebrate the essence of womanhood.

It is one of the biggest events of Coimbatore. Nominations for the award starts from the month of December. Self nominations are allowed. During the year of 2018, nominations were made in person with the help of college students. The students did several ground works for collecting and scrutinizing the nominations. Kovai Wonder Woman has two categories of awards : Icon award and year award. The Award function was hosted by Zee Tamil Fame Archana.

The event was held on 9th, 10th & 11th of March 2018 at Prozone Mall, Coimbatore. On 9th March The Grand Opening begins - Ribbon cutting and welcoming remarks.

The Grand Award Ceremony was on 10th March. The iconic and year awardees of 2018 left us with inspiration and motivation. Amidst the haunting situations of health crisis, past experience, haunting past, failure, depression and betrayal, they had their own fuel of optimism which helped to become what they are today. The women on the dice of KWW award ceremony took up every possible profession from lorry driver work to co-pilot .

ICON AWARDEESS OF 2K18

Dr.ASHA RAO

Dr.Asha Rao has led Rao hospital into many milestones and has brought in little bundles of joy to many childless couples. She has been one of the pioneers of IVF in Coimbatore and has over 40years of infertility expertise.

Dr.LATHA SUNDARAM

A successful woman is a one who can build a firm foundation with the bricks others have thrown at her. One such Women is Dr.Latha Sundaram, the founder of Aram Foundation. Women should not be a candle which melts but a light in front of a mirror which can glow and make glow are her golden words.

Ms.DEEPA MOHANRAJ

Everyday is a special day, says Deepa Mohanraj, a proud mom of a special child and founder of Kaumaram Prashanth Academy. She says every parent of such special child should realize how blessed they are and believe that they have been chosen for a purpose. Being patient, positive and a pragmatic approach by parents towards such special children is the magic wand that will lift the life of those innocent children.

Ms.DEVIKA RAMESH

She is the executive director of AREMPEE Compressors. She is the best example of the fact that women could come out with flying colours in every odd fields of profession that exists. She took up the private limited company to the pinnacle of glory.

Ms.SWARNALATHA

There is only one way to look at things until someone shows us how to look at them with different eyes. "I am not just special, I'm limited edition", says Ms.Swarnalatha J, Swarga Foundation founder of Swarga Foundation.

Ms.ELIZABETH SURESH

She is the principal of Rashmika centre for learning and counselling. "Rashmika" is a "RAY OF LIGHT" that was conceived in order to provide a brighter and more blessed life to children, whose young minds are stressed with unidentified abilities, misunderstood needs, compelling parents and spiteful labels. Rashmika is "THE PLACE" for such children. She is the heart beat of the place bringing a ray of hope for children with learning disabilities.

Ms.SUBHASHINI

She is the executive director and co-founder of Little Indigo Kids Academy. She redefines child's formative years into fantastic ones. She finds happiness in doing so. Her uncompromising commitment towards children's early developments is wholeheartedly honoured by KWW.

Ms.MADHU KANNAN

"It's because of my love for colours," comes her sprightly explanation. "As a child, I watched my mother engage herself in cross stitch, bead work and knitting. I just followed her. My first painting was on fabric for a cousin," she recalls. Her creativity takes art to the next era. KWW takes up the pride in honouring her. She belongs to one of the world's largest professional community.

YEAR AWARDEES OF 2K18

Ms.AISHWARYA

Every little girl's outlined ambition would be to "Dream Big and fly high". But for Ms. Aishwarya her only ambition was literally to fly high. She stands as one of the handful of woman flying officers from South India, whom KWW witnesses heights of pride in recognising with Kovai Wonder Woman Year Award.

Ms.SHEEBA

She is on a mission to create a healthiest society and is about to do noruks chaats shortly. By the way, she provides a huge employment opportunities to empower women.

YEAR AWARDEES OF 2K18

Ms. TASLIMA NAZEER

We found a real fairytale existing. Taslima, a transgender woman is making soulful wonders happening. She wanted the hospitalizations and inpatient care in hospitals to be available for all irrespective of financial discriminations. This social activist maintains a ward at the government hospital in coimbatore. She has provided nearly 250 mattresses to the wards in GH by public fund raising. She lives an authentic life inspiring a lot of women like her.

Ms. SANTHAMANI

Having a naturally bold attitude, she locks our eyes and ears on her while saying, "My father had always wanted either of his daughters to grow up skillfully and earn to stay independent. That was the spark in me to drive a lorry which fruitfully. She herself being a bachelorette in literature, strongly insists on women taking up any challenging work having nil consideration in regard to education! Though she had a strong support system, her path wasn't easy either.

Ms. SIVATHMIKA

KWW 2020

MAKING OF KWW 2020

JANUARY 2020

The very first month of 2020 was started happily with team meet up without the knowledge of how the future is going to take up whirl around twist during the pandemic.

The team planned for the future events. Our team is mostly connected virtually and once in a while to plan for big events we meet up. The strength of our team is each individual member and the strength of each individual is our team.

FEBRUARY 2020

Another meeting was held in the month of February to discuss about the big events of march. our team work built trust and trust built speed. Team started growing happily together. We learn from our mistakes and started moving forward in smiles. Gradually and obviously our team changed into a family when we began to care for each other personally. We started working for the empowerment of women happily from the arms of KWW lady.

MARCH 2020

Third meeting for the year 2020 was held in the month of march before the commencement of our biggest initiative. March it was a happy new month and we marched on to greater heights.

KWW is well known for the award ceremony conducted every year since its incorporation as a part of Women's day celebration. The most beautiful part of the award ceremony is that the women crowned women. Self nominations and nominating others were accepted. Women complimented each other, encouraged each other and new business ideas were created there since all the empowered creative women of coimbatore met each other.

KWW is well known for the award ceremony conducted every year since its incorporation as a part of Women's day celebration. Last year the celebration was on 7th & 8th March. The award ceremony on 8th March 2020.

Everyone wants to be appreciated, so if you appreciate someone, don't keep it a secret. The only way to do great work is to love what you do. Your work is to discover your work and then with all your heart to give yourself to it. It's been three years of celebrating womanhood. This year too the award ceremony was a grand success. The award ceremony was hosted by **Vijay tv Fame VJ.Chitra.**

ICON AWARDESS OF 2020

Dr. MINI VASUDEVAN

The love for all living creatures is the most noble attribute of human. The animals of the world have their own reason for existence. "let them live" is all she wanted. "It takes nothing from a human to be kind to an animal. Express the act of kindness and love to animals too. We are their guardians" says Dr. Mini Vasudevan.

Ms. MANJOO SHREE

She never dreamed of success, she worked for it. "I'm a psychologist, International Life Transformation Coach, Keynote Speaker, Singer, Author, Happiness Addict and a crazy mommy" says the wonder woman Manjoo Shree. When dealing with hard days of her life, she thought if a psychologist doesn't know how to deal with issues then what about innocent women who come across innumerable struggles everyday. As a result of her thought process the community "Lifeolicious" took birth. She always does and makes people choose happiness and mental health which is very essential to live the life in the way it has to be lived.

Dr. SHARMILA CHANDRASEKAR

No matter where she is in life, she inspires and empowers women around her and even beyond. She believes success is never reached alone, wisdom and wealth are sweeter when shared. She is Dr. Sharmila Chandrasekar. She is the director of Alayam Welfare Trust. "Speak from the bottom of your heart. Do what your heart speaks. Speak what your heart thinks. If you are right, no worries; The soon you will get good results" are her golden words. "Speak out, Fight for what you want", says Dr. Sharmila Chandrasekar.

Ms. VANITHA RENGARAJ

Founder of Sharanalayam, is our wonder woman who believes that every child is a flower, getting them all together she has made a beautiful garden called "Sharanalayam". Various units of Sharanalayam are Sharanalayam Dhaya, Sharanalayam Jyothi, Sharanalayam Swear, Sharanalayam Preetham.

Ms. VIDYASHREE DHARMARAJ

Ms. Vidyashree Dharmaraj, again, stands out for being a successful player in the field of journalism for over 2 decades now, in India's leading newspapers like Indian Express, Deccan chronicles, which is a male dominated field. She proudly says "In the field of journalism a woman has to be first bold and strong to voice out her opinions and put her words in place! and when you are truly passionate about something, be it in any field, things like family, work life balance, untimely work hours everything will fall in its place".

Ms. GAYATHRI NATRAJAN

"Beauty has nothing to do with skin color". Achieving in a single field, straight and focused, is itself challenging. How about when we introduce you to our Dusky wonder woman, who is a Dentist by profession, A rapper who has won multiple awards including a the coveted Mrs. India and a cancer awareness creator. She strongly believes if a woman does not loses her confidence and trust in herself, even sky is not the limit!!

Ms.GEETHA LAKSHMI

"I will feel no guilt on shutting my door to those who didn't listen". "The kind of soil in your area determines the type of crop you will plant to harvest; The kind of potentials in you will decide the type of success you will celebrate". "A farmer is a magician who produces money from the mud." She is on the mission to use crop management as a weapon against hunger and poverty as she is the director of (CROP MANAGEMENT) TNAU.

YEAR AWARDEES OF 2020

Ms.GAYATHRI SAMPATH

"A mom's love can cause wonders" Idle soul to this line is Ms.Gayathri Sampath. Since she had no foundation knowledge in regard to Special child training, people highly criticised and demotivated her, when she started this facility. But trusting her intuition and keeping her love for her child as her sole motivation and support, continued this school with determination, which now has two branches, creating heaven for 50+ special children.

Ms.DEEPA SURESH

You can train a woman to get constrained, but cannot drain her passion "The normal list of things happening in a woman's life like Marriage, Children, Family, Commitments etc... happened to Ms.Deepa also. But by running 3 YouTube channels, she tuned in her talents and skills to use it to the best, without any compromise in personal life. She is the perfect example for work life balance.

Ms.SAVITHRA

We are running into a state of world where except human anatomy, nothing can be differentiated anymore as masculine and feminine! Here we have the daring "Bold and Beautiful" Ms.Savithra, a fitness instructor and body builder." I was introduced to fitness by my parents at a very young age and from that very moment fitness became a major part of my life" says Ms. Savithra.

Ms.ANUPAMA KUMAR

"Break the old, is the new normal". Having nil pioneers in this field, with the impacts of her own pregnancy, and staying persistent to sell this so called 'odd' idea Ms.Anupama Kumar, did grow pretty well!" with all those confusing elderly myths on do's and don'ts during my first pregnancy, made me wanted to get to know only the facts of pregnancy. Her first pregnancy, made her mind rooted towards starting a new career which would empower pregnant woman, who will be otherwise ignorant about fruitful facts, which not knowing has caused lots of misguidance, unwanted stress, post partum depression and even loss of lives!

CELEBRATION MEET UP

Breaking the old is the new normal. Of course, traditions and cultures are an integral part of living and KWW is never against it. If coming out of some old mythical beliefs can make wonders to the society and bring up tremendous talents to light, then we shall try it. KWW is an effort. KWW is a selfless prayer. KWW is an optimistic fuel. It has made a chain to break a chain.

Several golden hearts who did a handful to change the society and made the world a better place to live in promoted the event.

After the completion of the events, the KWW members had a celebration meet up. The team is keen in congratulating the victories and keep up highlighting the experiences learned. Life is too short not to celebrate the nice moments! The more we celebrate in our life, the more there is in our life to celebrate.

This is all about our joyful month of march.

After all the celebrations, pandemic came into light. Lockdown was announced but still KWW continued to work virtually.

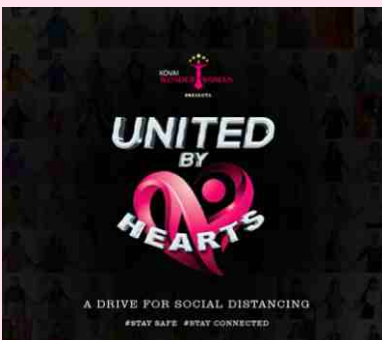

MAY 2020

KWW made every possible event as special as it can to make women live life to the fullest. Pandemic should not be a reason to regret. KWW made a digital platform for women to connect and explore together. KWW comes up with innovative ideas to keep the women connected and made sure they raised and raised each other.

The winners of Mother's day contest were surprised. The march winds and april showers brought may flowers in 2020 !!!

The KWW social media pages were overwhelming with the hashtag **"United by Hearts"**.

It was online awareness campaign to sensitise the people about social distancing to prevent the spread of the virus, it can help break the chain of virus infection. While we are apart, still we are connected by hearts. Our goal is to make a chain by our hearts to beat the virus.

VOICE OF WOMEN WEBINARS SERIES

The art of speech is blissful. Blissful motivational speakers were invited for guest lectures through webinars during the pandemic. It instilled positivity to hope for a better future. Philosophical and practical speaking were the essence of those sessions. A series of webinars were hosted by KWW.

JUNE 2020

To keep the women engaged, KWW organised webinar every month to spread positivity. Women who are budding entrepreneurs might be scared if the impact of the pandemic lockdown on the emerging business. To motivate them to keep working and bestowing them with alternate digital methodologies of entrepreneurship a webinar was conducted.

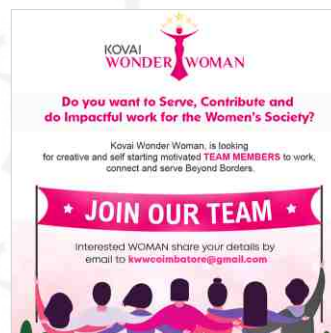

A women's best protection is the money of her own. Entrepreneurship is all about innovation. The webinar gave, every beneficiary of it, a clear picture on defining goal, taking action, staying action and expecting success, nothing less.

It is not the stress that disturbs our life, it is our reaction to it. The greatest weapon to fight with stress is our ability to choose one thought over the other. The webinar was magical and power packed. It boosted energy and positivity to every single participant.

JULY 2020

During the month of July, webinars were hosted on the topic "Impact of e-Environment on Kids & Effects of Hormonal Imbalance on Women's Health and Fitness".

Also, we made an attempt to extend our family. We looked for people to work, connect and serve beyond borders. KWW is able to do what it wants to do because of the strong selfless team behind it.

Virtual meeting was conducted as a part of extending our family. We choose the kind of people who work towards women empowerment.

AUGUST 2020

SEPTEMBER 2020

A webinar was conducted on a "Lead to a Better Life". Motivation was on high scale during the webinar. Life doesn't gets better by chance, it gets better by change. How to make the change is all about the webinar.

During august, webinars were conducted on "Awareness on Sexual Harassment for Women and Early Intervention to Mitigate Disability".

Nothing can dim the light that shines from inside. Making the inner glow is the purpose of these webinars. Many young girls were a part of this webinar who were encouraged to pursue their dreams in the long run with hope and bold armour of their self confidence.

Facebook live session was aired with Ms. Aiswariya, co-pilot of Indigo Airlines. Optimism looked like a part of her job description. The live session went on interesting and instilled hope in the minds of young aspiring girls.

Haiku is a deep breath of life, it is a universal theme. KWW conducted a haiku contest. It brought out the solely poets inside women. Since woman live a poem, penning that was a piece of cake for her. All the haiku entries filled up the page with love. All those celebrated womankind.

OCTOBER 2020

A webinar was conducted on "Know,How to Talk?, Than What to Talk?". Women are always known for their charm. Concern is a part of her being. She might seem rude at times due to the circumstances. Avoiding it, she will be complete. How to do that is the webinar about.

A series of instagram live was aired on the "Magic of Life"

Live went on with the most important topics, Understanding emotional intelligence, self love is not selfish and healthy relationships and mental health, which KWW considers very essential for the modern living. KWW is contented for making the series as useful as it can.

NOVEMBER 2020

As far as our intention is good, god can make it happen. This scary pandemic were not an excuse for us. We wanted the children of god to celebrate the festival of lights. The love from the hearty souls were collected by personally visiting their residence by the founder of KWW, Mr. Justin and he took the love to the tiny buds in the Sharanalayam. These are the things which keeps KWW alive!

DECEMBER 2020

Talkz CORNER

KWW is conducting "Talkz CORNER" for the women to speak out. KWW comes up with innovative topics of discussion like provoking suicidal thoughts and Traditional relationship against modern relationship. Thereby, KWW is fulfilled with its dream of making women voice out and at the same time valuable thoughts on the do's and don'ts for building a healthy society are discussed in a very grounded manner.

We celebrated Christmas with a hope for a wonderful new year. Christmas contest were out in the social media pages of KWW. KWW made an attempt to make Christmas, a tenderness for the past, courage for present and hope for future.

KWW got a Christmas gift in return though it was least expected! A article about KOVAI WONDER WOMAN was published in an E-article page "Turning Point Media". The media interviewed the founder, managing trustee and trustee and published their words and the vision and mission of KWW in their page. KWW looks it as opportunity to spread its wings for empowering women.

KWW has created a platform for making HAPPY LIVINGs will be streaming from January, 2021. KWW's "Anbu Thozhi" is in an attempt to make women stronger and make them solve their own problems there after. KWW is always with you even in your most worst situation; hope you never get that. You can share your problems through KWW FB-messenger. It will be shared by admin on KWW fb group as an anonymous post with a special name as "Anbu Thozhi" and you will have your solution as soon as possible.

KWW is now preparing for the next biggest event, the KWW 4th edition AWARD Ceremony. The nominations are now open. The KWW is evaluating the nominations and the inspiring women from different categories will be glorified on the big day.
